"MEDS FOR MUTTS"
CLUB RULES

1   The purpose of the Club is primarily to raise funds for veterinary costs associated with the dogs cared for by the charity Dogsfriends. The Trustees of Dogsfriends retain the right to allocate the funds to other aspects of their dogs' welfare as appropriate.

2   The Club shall be administered by a volunteer Promoter and assisted by a volunteer Club Secretary, both appointed by the Trustees of Dogsfriends.

3   The Club is open to anyone who wishes to support Dogsfriends and who is over 16 years old. There is no maximum limit to the number of Club Members or the number of shares they may hold.

4   Each share in the Club will cost £60 for a 12 month period and can be paid for either by cheque in advance or by 12 monthly Standing Order payments of £5. Cheques should be made payable to "Dogsfriends".

5   Each share in the Club will be valid for a period of 12 consecutive months ("the period") and at the end of each period can be renewed for a further 12 months. It will be the responsibility of shareholders to amend as necessary any Standing Order arrangement they have with their Bank.

6   Each share will be allocated a unique number and issued on receipt of the Application/Standing Order Form.

7   There will be a single prize selected by monthly draw which will take place by the middle of the following month.

8   80% of the net funds available will go to the purpose of the Club as defined in Rule 1. The remaining 20% will be allocated for the monthly prize.

9   Winners will be paid by cheque to the address provided on their Membership Application/Renewal Form by the end of the following month.

10 Renewing Club Members shall retain their unique share numbers. The Promoter reserves the right to reallocate a number to another participant in the following 12 month period where the Member is more than one month in arrears with their subscription.

11 In the event of the Club closing, any payments for a share received in advance of its 12 month period end will be returned to the Member.
